## Meet History

Formerly known as the East Coast Collegiate National Championships (ECC), Georgia Tech Swim Club first hosted this meet with 6 teams and 73 swimmers in attendance in its inaugural year, 2004. With the elimination of many varsity swimming programs across the country, the collegiate club scene has seen a spike in participation; the meet has grown into the largest and fastest collegiate swim meet outside of the NCAA. At last year's meet hosted by Swim Club at ASU at Skyline Aquatic Center in Mesa, AZ, Georgia Tech Swim Club was the overall champion, while Purdue Swim Club took home the men's championship and Club Swimming at the University of Virginia won on the women's side. Swim Club at NC State and the Greensboro Aquatic Center are excited to host this year's meet with 1,628 athletes competing from a record 144 teams over six sessions.

## Records

**CCS Records:** Times achieved at recognized CCS meets may be considered for CCS records and top 10 times, provided the swimmer who broke the record is a member of CCS prior to the start of the meet. These records can be set at in-season meets or at championship meets.

**Meet Records:** The meet records are a continuation of meet records set at previous year's ECCs & National Championships. These are being kept to honor the history of where this meet started and how far it, and College Club Swimming as a whole, have come since.
