Club Check-In Procedures

As is noted in the Meet Information Packet, you must check in prior to the first session in which your team has athletes competing (i.e. if you have athletes competing on Friday morning, you must check in prior to warm-ups). **No athletes may enter the facility until they have received their credentials**, which teams receive at check-in.

Check-in will be available at the following times:

- **Thursday:** 11:30 AM - 7:30 PM
- **Friday** (during prelims warm-ups): 6:30 - 8:45 AM

Teams that need to check-in outside of these times (i.e. while the competition is in progress) must contact the meet director via email to arrange a time to check in.

Please bring a printed or digital copy of your receipt showing payment of your swimming entry fees through CCS/Club Assistant (the registration software). **If you do not provide a receipt, your team will be unable to check-in and unable to enter the pool deck.**

Check-In Location

Check-in will be located inside the entrance to the Special Event Center (SEC). The SEC is adjacent to the Greensboro Aquatic Center, just across the driveway entrance to the parking lot.

What You'll Receive at Check-In

Team check-in bags will include all athlete and coach/president credentials, heat sheets, seating maps, and other meet-related documents. Teams will also receive a highlighter for heat sheets and an extra pen. Please note that teams WILL NOT receive these items without proof of payment.

Without their credentials, swimmers will not be allowed on the pool deck for warm-ups or competition, so make sure you have your proof of payment ready to go when you arrive!

Assigned Team Seating

We will be making every effort to maximize on-deck/in-facility seating, but some clubs' assigned seating area will be in the Special Event Center (SEC). Note that many clubs on deck will be sharing a bleacher with one or more other clubs - please be respectful of other clubs and remember to sit **ONLY** in assigned areas. A seating map will be available at Club Check-In.

Join the 2026 TYR CCS Nationals Signal group by completing the following steps:

1. Download the Signal app on iPhone/Android by visiting signal.org/install or looking up the app in your phone's app store.
2. Create an account utilizing your phone number.
3. [Click here](#) to join the Signal group or scan the QR code here with your phone's camera →

Signal is also available for download on any Windows, Mac, or Linux operating system by visiting signal.org/download and then joining the group by following steps 2 and 3 above. Note that the QR code / link will not work until you have downloaded Signal and created an account.

The CCS President's Discord will also be utilized for teams to ask questions in the **#nationals2026** thread. Presidents not already in the Discord can join through the link in the Signal group description or contact their CCS AB Region Representatives via email to be added.
