All finals scratches must be declared at the Scratch Table within 30 minutes of the results being posted and announced. If you do not intend to swim in Sunday's finals session, please scratch each of your events at the designated scratch table, regardless of your preliminary place.

Relay Changes

Relay Cards will be included in the Team Packets that each team should receive at check-in. If there are any changes to the relays (order, swimmers, etc), those changes should be written on the relay card and turned back into the scratch table **PRIOR** to the start of that relay event. If the relay will swim as originally planned, the relay cards do not need to be turned in at all.

Awards Presentation Schedule

Awards will be presented right after the A final of each men's event. The top 3 athletes in each event need to be ready to receive their award following the conclusion of the men's A final. For example, the top three finishers in the 100 breaststroke for men and women will receive their award at the conclusion of the men's 100 breaststroke A final.

Awards for timed final events that took place during prelim sessions will be presented prior to the start of that day's finals session.

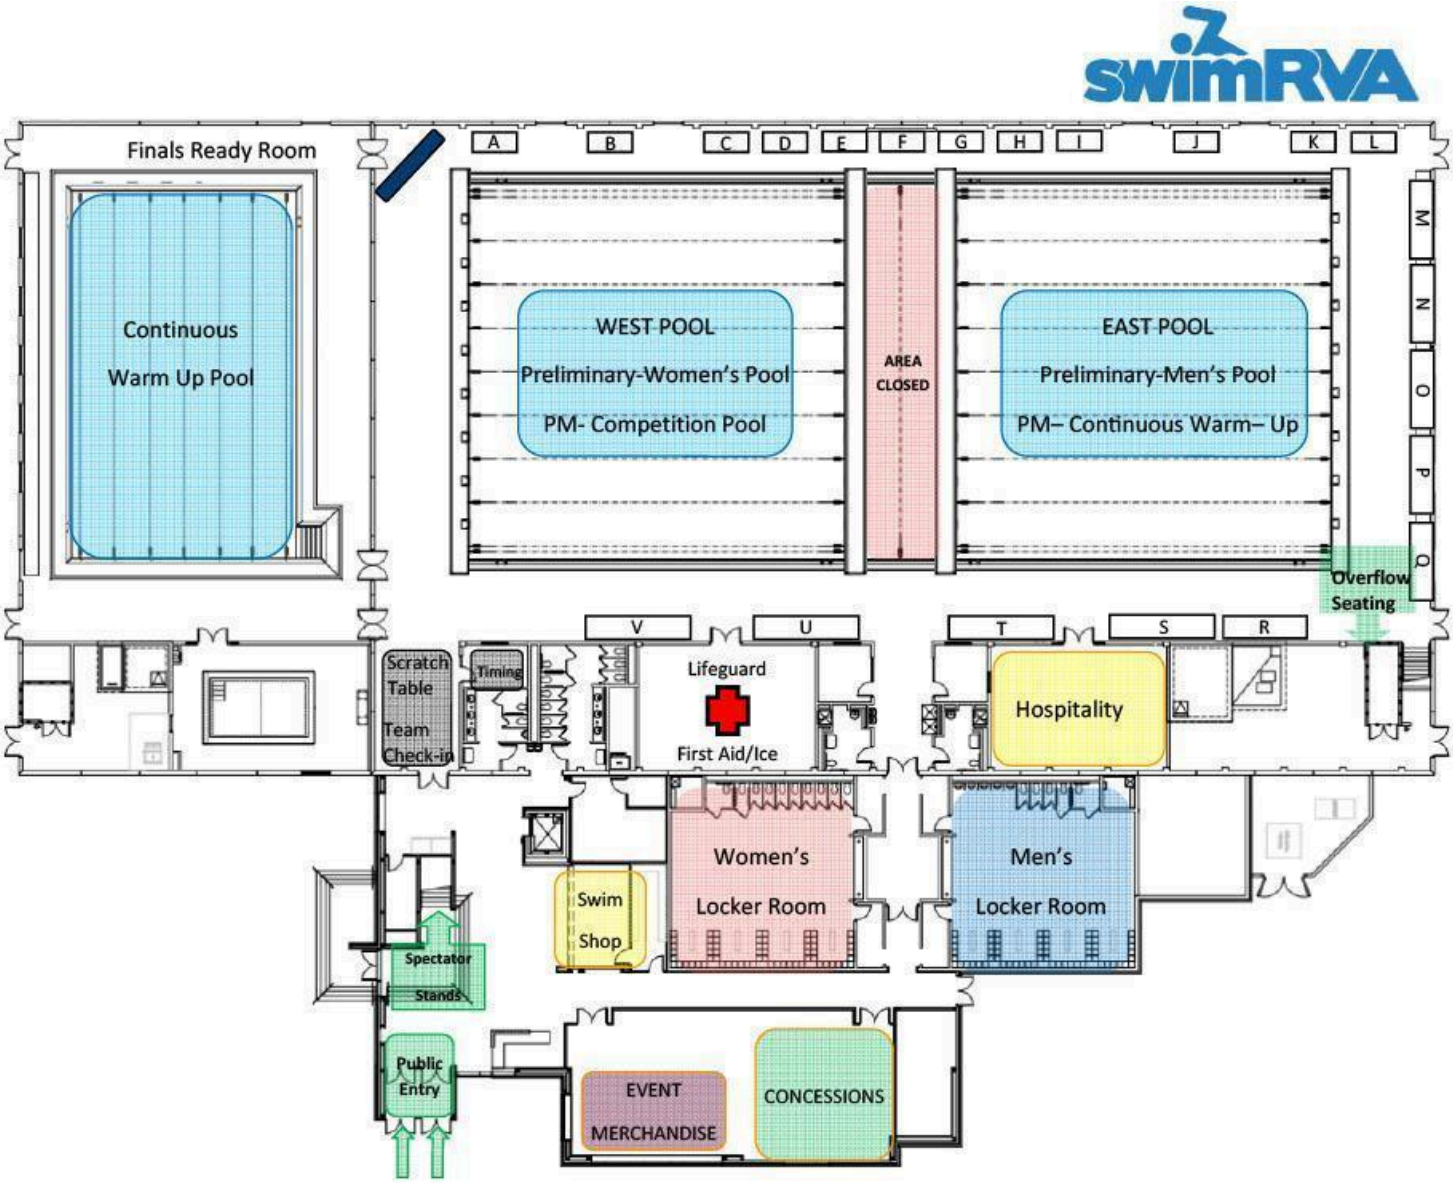

Team awards will be presented at the conclusion of the Sunday Finals session.
