Reminders & Communication

Check-in Procedures

As is noted in the Meet Information Packet, you must check in prior to the first session in which your team has athletes competing. Teams will receive athlete credentials at check-in. Check-in will be available on Saturday from 7:00AM until the start of the prelims session. Anyone checking in after this time should contact the meet directors to check in.

Please bring a printed or digital copy of your receipt showing payment of your swimming entry fees through CCS/Club Assistant (the registration software) or proof that payment is in process. If you do not provide a receipt or proof of in-process payment, your team will be unable to check in and will be unable to enter the pool deck.

Pool, Deck, & Stands

Athlete credentials grant you access to the entire pool deck; however, please remember to sit ONLY in your assigned team area and to be respectful of other teams' space. Unless you are heading to the starting zone to swim a race, it is wise to carry your credential with you at all times.

President's Meeting Location

Please have a club representative attend the President's Meeting each session. The President's meeting will take place at 8:30 AM before Prelims on Saturday and Sunday, 4:30 PM before Saturday Finals, and 3:30 PM before Sunday Finals next to the Admin Tent on the Women's Competition side of the pool.

Meet Communication

This year, we will be utilizing Discord for all reminders and real-time updates. The CCS President's Discord will also be utilized for teams to ask questions in the #Western-Regionals thread. Presidents not already in the Discord can join through the link in the Signal group description or contact their CCS AB Region Representatives via email to be added.
