## KEY CHANGES FROM LAST YEAR

- Cap of 1650 swimmers
- NQTs added for 1000 Freestyle and ALL Relays except the 4x50 Mixed Relay
- Format is now 3 days of Prelim/Final - as a result, event order has been changed
- President/Coach Confirmation Period has been extended to 1 week (instead of 2 days) to give clubs more time to finalize entries & pay
- Increase to individual entry fee as a result of increased costs associated with moving to a 3-day format
- Club Depth Award for most points/swimmer (roster size of at least 4; one award for each tier of roster size)

**Most of these changes are a DIRECT result of feedback received from clubs via the 2025 Nationals Exit Survey.**
