

COVID-19 Statement:

The Iowa Games is staying up-to-date with local, state, and federal recommendations for hosting events and gatherings. Below are some basic guidelines for our events. If there are specific guidelines for your sport other than what's listed below, they will be posted to their sport webpage.

- CDC guidelines state that fully vaccinated people no longer need to wear a mask or social distance in any setting except where required by federal, state, or local rules and regulations.
- Indoor Events – Unvaccinated attendees are encouraged to wear masks at all times, except when competing.
- Outdoor Events – Unvaccinated attendees are encouraged to wear masks when not participating and unable to social distance.

In the unlikely event that the sport that you signed up for is cancelled and cannot be rescheduled due to COVID-19, your sports registration fee and any admissions fees will be refunded or you can elect to have a credit for a future event. The nominal 5% credit card processing fee cannot be refunded as those expenses are incurred through the credit card companies and our registration vendor.

In the event that you or your team must drop out because of a positive COVID-19 test or pending results of a COVID-19 test, a credit will be given for future events.
