FACILITIES: USMS and USA-Measured 50-meter pool with bulkheads. High blocks both ends. North end water depth: 2 meters (6-1/2 feet). South end water depth: 5 meters (16 feet). All events start at 2 meter end except for events of 50 meters and the 2nd and 4th swimmers of 200 meter relays. The 50 meter events will start at the 5 meter (south end) of the pool. The length of the competition course is in compliance and on file with USMS in accordance with articles 105.1.7 and 106.2.1, but as a bulkhead course, is subject to length confirmation. Eligibility of times for USMS Top 10 and Records will be contingent on

verification of bulkhead placement. The bulkhead has always met USMS pool length.

TIMING: Electronic (automatic) timing using SST Console (primary: automatic) backed up by one or two buttons (secondary: semi-automatic) and one watch (tertiary: manual). This level of timing meets requirements for setting FINA and USMS National Records. Such records can only be set by electronic (automatic) timing or button backup in the case of failure of the automatic timing. Watches cannot be used to set FINA or USMS records, but are honored for USMS Top 10 consideration

RELAYS: Submit relays at the meet. Although the notation in the events is blank, relay teams may be all men, all women or mixed gender (2 men & 2 women). Swimmers may swim 4 relays, but, swimmers may not swim both the mixed and the male/female relays of a given distance. Relay gender-specific or mixed gender events are combined under one event number for each type and distance. The mixed, male and female relays will swim in the same heat. Relay age group is determined by the sum of the ages of the swimmers on the relay.

SEEDING: All events are timed finals. Note that there will be short breaks inserted into the heat sheet at appropriate times, after or before relays and long events. Heats will be seeded slowest to fastest, gender and age groups combined. There will not be separate mens and womens heats. Seed times are required. An "NT" is not allowed for an entry. The 800 Free is the only check-in event. Heat sheets will not be provided, but will be posted around the pool and uploaded to Meet Mobile and Swimphone.com (https://www.swimphone.com/meets/meet_menu.cfm?smid=15122)

WARM-UP PROCEDURE: Warmup will be conducted in all 8 50-meter lanes of the pool. Lanes 2 and 7 will open at 12:30 pm as start/sprint lanes, swim in one direction only and exit to the side or end. All other lanes are circle swim only. NO DIVE STARTS OR BACKSTROKE STARTS from the blocks or deck in circle swim lanes. Entry into the pool must be feet first in a cautious manner. Lane 8 will be the continuous warm down lane during the meet. One lane will be designated for 65 & Over warmup. Swimmers observed diving into any warmup or warm down lane other than designated sprint lanes will be subject to disqualification from any or all events for the remainder of that day.

RULES: Official U.S. Masters Swimming Rules will govern this meet. All events will be timed finals. Please note that the officials have the discretion to combine events to expedite the meet. In the case of this swim meet, given the expected low participation level due to the pandemic, the 200's of fly, back and breast have been scheduled one after the other as have the 400 relays. This is so that the three stroke events and the two long relay events may swim in the same heats at the discretion of the officials.

SCRATCHES: Any swimmer failing to report to the proper lane in the correct heat of an event shall be scratched from that event and shall not be permitted to swim that event at another time. The missed event will be marked as NS (No show).

AUTOMATIC SPLIT RECORDING: Automatic split recording (USMS Rule 103.18.2 A, B and C) will be performed by the officials for relay lead-off splits for the 400 relays and for the 400 freestyle split from the 800 freestyle, provided the split time is available from the

automatic (primary) timing system. Other splits must be requested in writing by the swimmer as per USMS rules noted on the USMS Split Notification Form (Appendix B, Page 129 of the 2022 USMS Rule Book.)

TECHNICAL SUITS that are on the current FINA approved list may be worn at this meet.
