## Age Groups - Team

A team is composed of three swimmers in the following age groups: 19+, 25+, 35+, 45+, 55+, 65+ and 75+ for men and women. The youngest member determines the age of the team. No unattached or mixed sex teams allowed. All team members must be members of the same registered Club or Swimming Team.

## Awards

U.S. Masters Championship Medals will be awarded to the first ten place individual winners in each age group and sex. Each team member of the first three teams in each group and sex will be awarded U.S. Masters Championship medals.

## Event

The object of the contest is to determine who can swim the greatest distance in one hour. The person swimming the farthest will be declared the winner, the person swimming second farthest will be awarded second place, etc. If two or more swimmers complete the same distance a tie will be declared. Long Distance Swim Committee rules require a starter/referee be present and you have a verifier to count your lengths, record your splits and time the event with a stop watch. He/she must sign the Official Entry Form. Round all distances to the nearest completed five yard increment (i.e. if you swim 2763 yards, round down to 2760 and enter 2760 yards on the form).

The team entry is composed of three swimmers; the team with the highest combined total of yardage for the three swimmers distances shall be declared the winner.

## Entry Fees

Individual event \$4.00 per swimmer. Team Entry, \$6.00 per team. Entry fee includes mailing a copy of the results to you. **Foreign entrants** submit funds via international money order or a bank check drawn on a bank with a U.S. affiliate.
