1990 UNITED STATES MASTERS POSTAL ONE HOUR SWIM NATIONAL CHAMPIONSHIP

Sanctioned by United States Masters Swimming
and Potomac Valley Masters Swimming Committee
Sanction Number PV - 90-01

Sponsor
DC Masters Inc.

Where and When

Any pool 25 yards in length or longer, any time during January 1990

Eligibility

Any registered U.S. Masters swimmer or Masters athlete registered with a similar body in his/her own country. Swimmers under the age of 25 are advised that they may jeopardize their amateur standing under FINA rule GR1 if they participate in Masters competition.

Individual Event

The age groups are (M&F) 19-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-74, 75-79, 80-84, 85-89, 90-94, 95 & above. The object of the championship is to determine who can swim the greatest distance in one hour. The person swimming the farthest will be declared the winner, the person swimming second farthest will be awarded second place, etc. If two or more swimmers complete the same distance a tie will be declared. Drafting is not permitted. Masters Long Distance Swimming rules require a starter/referee be present and a verifier count lengths, record lap splits and time the event with a stop watch. He/she must sign the official entry form. Round down all distances to the nearest completed five yard increment (i.e., round 2764 yards to 2760). All swims must be done during January 1990. Any participant who submits an entry, which will potentially qualify for USMS All American or record consideration, may be required to submit verification. Therefore, these participants must retain their split times until at least April 30, 1990. Currently, USMS does not permit distance adjustments for swims at altitude. *Dual Entries:* Swimmers who *change age groups* during January may *enter* twice, but *must swim twice*.

Relay Team Event

A relay team is composed of three swimmers in the following age groups: 19+, 25+, 35+, 45+, 55+, 65+, 75+ for men and women. The age of the youngest member determines the age group of the team. No unattached or mixed sex teams allowed. All team members must be members of the same USMS registered club. No swimmer who enters (or is entered) unattached may be listed on a relay entry. Each member of the relay team must enter the individual event. Individual distances are then combined for the relay entry distance. The relay team with the highest combined total yardage shall be declared the winner.

Awards

In the individual event U.S. Masters Championship medals will be awarded to the first ten places in each age group and sex. Each member of the top three relays in each age group and sex will be awarded U.S. Masters Championship medals. Championship patches to the winners. Awards and results will be mailed by the end of March.

Entry Fees

Individual entry, \$5 per swimmer. Relay team entry, \$6 per team. *Foreign entrants* submit U.S. funds via international money order or bank check drawn on a bank with a U.S. affiliate. Foreign personal checks *cannot* be accepted. U.S. cash is accepted, but at your own risk. For an entry receipt, enclose a self-addressed stamped postcard. Foreign receipts: add 50 cents for postage. Foreign entries should be sent *Air Mail*. Entries must be *received* by *February 15, 1990*. Please make checks payable to *DC Masters*.

Relay Team Entry Procedure

Submit a 3x5 card for *each* relay entered containing the information as shown in the format below. Print first and last names of swimmers. Swimmers *must* use the same club name on both individual and relay entries. Relay cards listing unattached swimmers or swimmers who did not enter the individual competition will be *disqualified* without refund of entry fees. Swimmers may swim on only one relay. Multiple relay entries from a single club (i.e., "A," "B," "C," etc.) in a given age group are permitted.

PLEASE PRINT!!!
