## **ONE HOUR SWIM • 1991 NATIONAL CHAMPIONSHIPS**

**United States  
Masters  
Swimming**

**1991 UNITED STATES MASTERS  
POSTAL ONE HOUR SWIM NATIONAL CHAMPIONSHIP**

Sanctioned by Potomac Valley Masters Swimming Committee  
for United States Masters Swimming  
Sanction Number 101-001

**SPONSOR**  
DC Masters Inc.

**WHERE AND WHEN**

Any pool 25 yards in length or longer; any time during January 1991

**OBJECTIVE**

The object of the championship is to determine who can swim the greatest distance in one hour. The person swimming the greatest distance will be declared the winner, the person swimming second greatest distance will be awarded second place, etc. If two or more swimmers complete the same distance a tie will be declared.

**ELIGIBILITY**

Any registered U.S. Masters swimmer or Masters athlete registered with a similar body in his/her own country. Swimmers under the age of 25 are advised that they may jeopardize their amateur standing under FINA rule GR1 if they participate in Masters competition.

**EVENT CATEGORIES**

**Individuals:** The age groups are (M&F) 19-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-74, 75-79, 80-84, 85-89, 90-94, 95 & above. An award for **overall** outstanding performances will be given to the 3 men and 3 women swimming the three greatest distances. All entrants will be considered for this award.

**Relay Team Event:** A relay team is composed of three swimmers in the following age groups: 19+, 25+, 35+, 45+, 55+, 65+, 75+, 85+ for men and women. The age of the youngest member determines the age group of the team. Each member of the relay team must enter the individual event. Unattached or mixed sex teams are not allowed. All team members must be members of the same registered club. Swimmers who enter unattached may not be listed on a relay entry. Individual distances are combined for the relay entry distance. The relay team with the highest combined total yardage shall be declared the winner.

**Club Scoring:** All clubs with entrants will be considered for an award. The three clubs scoring the most points will receive an award. Scoring will be treated as if the event had been swum in a ten-lane pool for individual entries; relays will be awarded points for first through third equal to twice the points of an individual place in a ten-lane pool.

## RULES

*Drafting is not permitted.* Masters Long Distance Swimming rules require a starter/referee be present and a verifier count lengths, record lap splits, and time the event with a stop watch. He/she must sign the official entry form. Round down all distances to the nearest completed five yard increment (i.e., round 2764 yards to 2760). If the pool is meters, multiply the distance swum by 1.0936 and round down to the nearest five yard increment and enter yards. All swims must be done during January 1991. Any participant who submits an entry, which will potentially qualify for USMS All American or record consideration, may be required to submit verification (i.e. split sheet). Therefore, these participants must retain their split times until at least April 30, 1991. Currently, USMS does not permit distance adjustments for swims at altitude. Dual Entries: Swimmers who *change age groups* during January may *enter twice*, but *must swim twice*.

## T-SHIRTS

For the first time a specially designed, three color, T-shirt may be ordered for \$12. The shirts will be top quality 100 percent cotton.

## AWARDS

U.S. Masters Championship medals will be awarded to the first ten places by age group and sex in the individual event and the first three places in relay events. Championship patches will also be awarded to all first place winners. Distinctive awards will be presented to three men and three women for overall outstanding performances. The three top scoring clubs will receive engraved plaques.

## ENTRY FEES
