September 28, 1993

Dear Big Shoulders Swimmers,

Thanks to every one of you we had a great and classic swim on September 12, 1993! The Blue Moon on Saturday night led us all to a great morning: a beautiful sun-filled day with water temperature in Lake Michigan of 67 degrees.

156 swimmers signed up for the race; 140 swimmers registered; and 127 swimmers completed the swim. Everyone swam a great race. Most notable were the **First Overall Male Swimmer**, George Wendt, age 45 from River Forest, IL, who finished the course in 1 hour 9 minutes and 17 seconds, the **First Overall Female Swimmer**, Heather Winiecki, age 23 from Evanston, IL, who completed the course in 1 hour 14 minutes and 42 seconds.

Swimmers came from great distances and even foreign lands to test the waters of Lake Michigan: Graham Annear from Australia; Morariu Gavril from Romania; Kent Price from California; Lewis and Patricia Bayers from Texas, and John Shrum from Virginia. Fourteen states and one foreign country were represented in the final composition of participants.

The oldest person to finish the course was Marion Chadwick, age 71, from Mercer Island, Washington. She also was the first to sign up for the race. The youngest was Heather Winiecki, age 23, from Evanston, IL.

We had a rectangular course this year, designed by our good friend, Joe Pecoraro of the Chicago Park District and terrific Life Guards. We hope to improve on the course with a larger twice-around course next year.

The event has been sanctioned for 1994 as the U.S. Masters Great Lakes Zone Championship. We hope to see all of you here again. So mark your calendars for the **FIRST SUNDAY AFTER LABOR DAY in 1994: September 11, 1994**. Thank you all for your enthusiasm and **KEEP UP THE GOOD SWIMMING!**

With our best wishes for a good training year,

The Chicago Long Distance Swim Classic  
Organizing Committee
