1993 USMS ONE HOUR SWIM NATIONAL CHAMPIONSHIPS

RESULTS

**CONGRATULATIONS TO ALL THE USMS NATIONAL ONE HOUR SWIM
 COMPETITORS!!**

This year 1,183 of you braved the January challenge -- a new record for this event.

Some interesting statistics

- o 539 women and 644 men made the swim.
- o 71 USMS teams were represented.
- o 132 relays were entered.
- o 4,369,265 total yards were swum -- an average of 3,693 yards per competitor, about 2.1 miles per hour!!
- o Our 2,482.5 total miles were enough to get us from New York City to Los Angeles with 31 miles left over --a cross country swim with enough left over for an open water swim to Catalina Island.
- o California led the way with 484 entries, Florida was second with 99 entries, New York had 81 entries.
- o We were well supported by our international community with 141 foreign entrants.
- o Our most popular age groups were the 30-34 women with 82 entrants and the 35-39 men with 113 entrants.
- o The oldest swimmer, at 89, was *Harold Langner from Milford, CT*. Harold was born July 29, 1903 and he swam 2,275 yards!
- o Special recognition and congratulations go to the Male and Female with the greatest distances -- Daniel Veatch (25-29) 5,975 yards and Rebecca Fenson (25-29) and Stephanie Palmer White (25-29) each with 5,185 yards.
- o This year's National Team Champions:

OBJECTIVE	To swim as far as possible in one hour. The person swimming the greatest distance will be declared the winner, the person swimming the second greatest distance will be awarded 2nd place, etc. If two or more swimmers complete the same distance, a tie will be declared.
VENUE	Any pool 25 yards or longer (if the pool is meters, multiply the distance swum by 1.0936, <i>round down</i> to the nearest 5 yard increment, and submit the distance in yards). All swims must be done during January, 1993.
ELIGIBILITY	Each participant must be registered for 1993 with USMS or a similar body in his/her own country. A copy of your 1993 registration card must accompany your entry.
INDIV. EVENT	Individuals, men and women separately, will compete in the following age groups: 19+, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-74, 75-79, 80-84, 85-89, 90-94 & 95 & over.

The age of the youngest relay member determines the age group of the relay team; 19+, 25+, 35+, 45+, 55+, 65+, 75+, and 85+. Each relay member must also have entered the individual event for his/her age group. Unattached relays are not permitted.
