1994 United States Masters Swimming One Hour Postal Swim National Championship

Sponsored by the St. Louis Masters Swim Club
Sanctioned by Ozark for USMS, Inc. Sanction Number 3382.

- DATE** All swims must be performed during January 1994.
- OBJECTIVE** To swim as far as possible in one hour. The order of finish is determined by the total number of yards swum. If two or more swimmers complete the same distance, a tie will be declared.
- VENUE** Any pool 25 yards or longer. (For events swum in meter pools, multiply the distance swum by 1.0936 and *round down* to the nearest five yard increment. Submit the distance in yards.)
- ELIGIBILITY** Each participant must be registered for 1994 with USMS or similar body in his/her own country. A copy of your 1994 registration card must accompany your entry.
- INDIVIDUAL EVENT** Men and women separately will compete individually in the following age groups: 19-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-74, 75-79, 80-84, 85-90, 90-95, 95+. The swimmers age on the day the event is swum determines the entrant's age.
- RELAY EVENT** Two relay events will be contested: 1) a 3 swimmer, same sex relay and 2) a mixed 4-person relay (2 men + 2 women). The team with the greatest total yardage will be declared the winner. The age of the youngest member determines the age group of the relay team: 19+, 25+, 35+, 45+, 55+, 65+, 75+ and 85+. Each relay member must also have entered the individual event for his/her age group. Unattached relays are not permitted. Relay entries received without the individual entry forms included will **NOT** be accepted.
- CLUB EVENT** Each club will be entered automatically in the club event. The three clubs accumulating the most yardage in each division will receive an award. Divisions, based upon the number of individual entrants from each club, are as follows: Small (15 or fewer), Medium (16-30), Large (31-49), and Extra-Large (50 or more).
- AWARDS** USMS Championship medals will be awarded in each age group to the top 10 swimmers in the individual event and the top 6 relay teams in each relay event. First place finishers in individual and relay events also receive USMS Champion patches. Distinctive awards will be given to the top 3 clubs in each division of the Club event.
- RULES** Drafting, floatation and propulsive devices (pull buoys, fins, paddles, wet suits, etc.) are not permitted. *Drafting includes having more than 1 swimmer circle swim in a lane. For purposes of this event, no more than 2 swimmers may share a lane, each swimming the duration on either the right or left side of the lane. Circle swimming is not permitted.* USMS Long Distance Swimming rules require a starter/referee be present during the swim. Each swimmer must have a verifier to count lengths, record cumulative splits and time the event with a stopwatch. The verifier must sign the official entry form. Distances are to be *rounded down* to the nearest completed five yard increment (i.e., round 2764 yards to 2760). See above for conversion from meters to yards. Swimmers who change age groups during January may enter twice but must swim the event twice, once in each age group. No adjustment may be made for swims completed at altitude. Split sheets must be kept for each swimmer and a copy included with your entry. The sheet must show the *cumulative split times*, to the nearest second for each 50 split. All swimmers must submit a photocopy of their 1994 Masters registration card with their entry. Potential USMS record swims must include USMS Long distance record forms.
