ONE HOUR SWIM

Meet Results

## **1997 USMS National Championship One Hour Postal Swim**

**Congratulations to all 1997 One Hour Postal Swim participants!**

**Your ability to swim non-stop for one hour and your dedication to swimming and fitness is applauded and appreciated. Your reward has already been realized, I am sure, in good health and conditioning. All of you are definitely among the elite in being able to accomplish this feat.**

**We had 1140 entrants and 188 relay teams from across the US and from many foreign countries. Five individual and five relay records were set.**

**Special thanks go to Smith-Barney for their printing donation, Patson's Press for their printing donation, to Pacific Masters Swimming for their support, and to Tamalpais Aquatic Masters and Los Altos Masters for the administration of this event.**

**Of special note is the use of an incomplete split sheet by many swimmers. This Universal Split Sheet was included in a mailing that was not the official mailing split sheet sent to each club by the 1997 One Hour Swim Committee. Unfortunately, this Universal Split Sheet was missing the 2550 split. If your yardage is 50 yards short, it was adjusted to account for this error.**

**Again, congratulations for a swim well done and many thanks for undertaking this daunting challenge!**

**Nancy Ridout, Meet Director**

**The 1998 One Hour Postal Swim will be offered by D. C. Masters. Contact Joann Leilich, 7209 Hansford Court, Springfield, VA, 22151, (703) 354-2130, for information about next year's event.**
