April 2023

Dear Swimmers, Spectators, and Volunteers:

Welcome to the 2023 U.S. Masters Swimming Spring National Championships.

Irvine is proud to host this year's Spring Nationals at the world-renowned William Woollett Jr. Aquatics Center (Woollett). Although Irvine has a long history of hosting major aquatics events, including five USA Swimming Phillips 66 National Championships (2004, 2010, 2014, 2018, 2022) and the Pan Pacific Swimming Championships (2010), this marks the first time since 1981 Irvine has hosted a major USMS event.

During your stay, we hope you enjoy all that Irvine has to offer. From global cuisine, diverse shopping experiences, expansive hiking trails, and our award-winning park system, there is something for everyone. Irvine Spectrum Center is certainly a place to make sure to visit during your stay. The center is the second most visited site in Orange County and is a hub for all things shopping, eating, and entertainment. Be sure to also stop by Great Park, which includes a 194-acre Sports Complex, Palm Court Arts Complex, Great Park Ice rink, Wild Rivers waterpark, and so much more.

On behalf of the Irvine City Council, City staff, and our partner Irvine Novaquatics, I welcome you to the 2023 U.S. Masters Swimming Spring National Championships. We wish you the best of luck during the meet and hope you have an amazing experience swimming at Woollett.

Sincerely,

Farrah N. Khan

SMART GOGGLE

Powered by *Ciye*™

Nathan Adrian, 8x Olympic Medalist

"I have been using the FINIS Smart Goggle for over a year now and love them. Being able to see my splits and finish times keeps me accountable for my effort. I now use them from a coaching perspective with my swimmers. The same accountability that I feel while swimming is felt by the swimmers. The time spent teaching intervals and zeroing in on pace times has decreased dramatically! I also like looking at the post swim head position videos for myself to see that I am breathing in the pocket or with my swimmers to observe and make suggestions on their head position"

James Guy, 5x Olympic Medalist

"The FINIS Smart Goggle is a game changer! Being able to see my splits to the tenth of a second on every turn enables me to maximize my output to the best of my ability. And, seeing my finish times in the lens of my goggle without having to look at the pace clock is invaluable for training and in competition. The FINIS Smart Goggle is sure to become the gold standard for swimmers."

Don Heidary, Head Coach Orinda

"In addition to the invaluable data the Smart Goggles provides, FINIS has introduced a cutting-edge enhancement that allows the swimmer (and coach) to actually see a detailed and vivid video of their head position. As coaches know, many technical issues can be traced back to balance in the body, which are often dictated by the head position and the breath. This is one step closer to the swimmer being fully aware of the most critical training and technical variables in swimming."

TIME FOR CHANGE

IF A PARENT DOES NOT
KNOW HOW TO SWIM,
THERE IS ONLY A **19%**
CHANCE A CHILD IN THAT
HOUSEHOLD WILL LEARN.

GREATER THAN **1/3** OF
AMERICAN ADULTS
CANNOT SWIM THE
LENGTH OF A POOL.

ONE MONTH OF FORMAL
SWIM LESSONS CAN
COST AS LITTLE AS **\$60**
FOR ADULTS.
