Below are important updates on the schedule, timing of committee meetings that'll take place in conjunction with the annual meeting, technology that'll be used, and training and orientation opportunities to ensure all delegates will be prepared to fully participate.

Virtual Schedule Manager

USMS will offer a virtual calendar through [Sched](#), which will allow our delegates and attendees to explore meetings and sessions, build their own schedule, view Zoom meeting links, learn about speakers, and discover who'll be attending sessions.

Updates and Documents

It's recommended that everyone read the [Zoom Survival Guide for the Annual Meeting](#), which will provide you with an overview of what to expect, in addition to the sections of the pre-annual meeting packet, which are available on the [2020 USMS Annual Meeting page](#). Important information includes the schedule and Zoom links, national committee reports and meeting agendas, proposed amendments, as well as other important documents. *Please be sure to check back frequently to see if any sections have been updated.*

Although we can't meet in person this year because of the COVID-19 pandemic, we're looking forward to our 2020 virtual annual meeting.

Please let me know if you have any questions,
Jessica
