Subject: 2022 USMS annual meeting dates announced

Dear Volunteer,

We're pleased to announce the 2022 annual meeting will be Sept. 16-18.

Attendees can attend the meeting virtually as we've done the past two years or in person at the Westin Denver International Airport. When they determine how to attend, we encourage LMSCs and delegates to consider attendees' personal/vacation time and how funds used to attend in person could be used locally in support of USMS member programming and benefits.

By early summer, we'll announce a tentative schedule, which will include meetings to be held via Zoom in advance of the annual meeting and the agenda for the annual meeting. [The 2022 annual meeting webpage](#) will be updated as information becomes final, and we will link to the 2022 annual meeting schedule in Sched.

Here's an outline of expense responsibilities for in-person attendees.

LMSC

- \$250 annual meeting registration fee for each LMSC delegate attending in person
- Airline or mileage travel cost for delegate(s) to travel to the annual meeting
- Meals while in transit to and from the annual meeting
- Home airport transportation or parking (the Westin is a short walk from the Denver International Airport, so no transportation will be needed in Denver)
- Other incidentals

USMS

- ½ of hotel cost for two nights (i.e., no cost for those who share a room, but attendees who request a private room will be responsible for the balance)

- The following meals will be provided: heavy hors d'oeuvres on Friday night; breakfast, lunch, and dinner on Saturday; and breakfast on Sunday

Note: This email was sent to all local- and national-level volunteers.
