PROPOSED AMENDMENTS TO PART THREE RULES

The following proposed amendments to the USMS Rules of Competition were submitted to the Long Distance Committee in accordance with Articles 601.2, 601.4.1, 601.4.5, and 601.4.7. If adopted by the House of Delegates, these amendments will take effect on January 1, 2022.

LD-1 303.4.2C Long Distance Committee p. 70 Modify

Committee Action: Recommended HOD

Action: Adopted

303.4.2 Rules for Category I Swimwear for Open Water Events

A Swimwear shall include only a swimsuit, cap or caps (including ~~those~~ caps made of neoprene when the water temperature is not greater than 78 degrees Fahrenheit), and goggles. Swim caps shall be defined as head gear conforming to a traditional swim cap design, may have a chin strap, and shall not extend to protect the neck and/or shoulders. Nose clips, ear plugs, and wristwatches are also allowed.

Rationale: Housekeeping. Clarification. The current wording could be seen to be ambiguous, and the word “those” has been mistakenly interpreted by at least one Event Director to refer to “swimsuit, cap or caps” rather than just “cap or caps”. This amendment would clarify the phrase in parentheses, which refers only to caps as originally intended.
